

INTERNET SAFETY (CIPA) CERTIFICATION FOR APPLICANT  
PUBLIC LIBRARIES - PROGRAM YEAR 2005 FUNDS  
SOUTH CAROLINA STATE LIBRARY

As the duly authorized representative of the applicant public library, I hereby certify that (*check only **one** of the following boxes*)

The applicant public library has complied with the requirements of Section 9134(f)(1) of the Library Services and Technology Act.

The applicant public library seeks a waiver of the certification required in A., above, because State or local procurement rules or regulations or competitive bidding requirements prevent the applicant library from certifying compliance with Section 9134(f)(1) of the Library Services and Technology Act. The applicant public library certifies that the library will comply with the requirements of Section 9134(f)(1) before the start of Program Year 2006.

The requirements of Section 9134(f) of the Library Services and Technology Act do not apply to the applicant library because no funds made available under the LSTA program will be used to purchase computers used to access the Internet or to pay for direct costs associated with accessing the Internet for a public library or public elementary school or secondary school library that does not receive discounted E-Rate services under the Communications Act of 1934, as amended.
